Pro Tip: Don't forget to record additional outcomes like Test Optional!

✓ Build Student Profiles

- Encourage students to update their [personal](#) and [academic](#) information in Scoir

The screenshot displays the Scoir AI Academy interface. On the left, a sidebar shows navigation options for a student named Craig Bartlett, including Overview, Personal Details, Academic Overview, Personal Bio, Activities & Achievements, College Preferences, Careers, Colleges & Applications, My Colleges, Scattergram, Manage Documents, Send Documents, Drive, Awards, Messaging, Surveys, Custom Properties, and Share feedback. The main content area shows a list of colleges with their logos and names, including Yale University, University of South Carolina, University of Michigan, University of Florida, The Ohio State University, Bucknell University, Boston College, Boise State University (highlighted), American University, University of California (Irvine), Temple University, and Auburn University. A modal window titled 'Predictive Chances for Craig' is open, showing the overall chances for Craig at Boise State University as 96% (Very Likely). Below this, a table lists application deadlines and chances for various rounds.

Round	Deadline	Chances
Spring Priority/Scholarship Deadline (All)	Oct 1	95% Very Likely
Spring Application Deadline (All)	Dec 1	96% Very Likely
Fall Priority/Scholarship Deadline (Nonresidents)	Dec 15	95% Very Likely
Fall Priority/Scholarship Deadline (Idaho Residents)	Feb 15	95% Very Likely
Fall Application Deadline (All)	May 1	96% Very Likely

Based on 11,956 application outcomes. This predictive model has great overall accuracy and correctly identifies most acceptances.
